"Enriched by Our Past Prepared for Our Future."

Thank you for your interest in the East Coast Chapter - Tuskegee Airmen, Inc (TAI). Our mission is to inspire and motivate young men and women toward endeavors in aviation and aerospace careers. This process begins with mentoring and fostering recognition of the importance of education at all grade levels in the current environment of changing and advancing information and technology.

Our general membership meetings are held at 12:00 Noon on the second Saturday of each month at the College Park Airport Museum, College Park, Maryland. We welcome your support and participation, and encourage you to attend one of our meetings before officially joining our efforts.

Annual dues are \$100.00 for regular membership or \$65.00 for active duty enlisted military personnel. TAI National Life Membership is available for \$750.00, payable in a lump sum or installment payments over a three (3) year period. National Life Members pay \$50.00 annually for East Coast Chapter dues.

We encourage each member to take an active role in the governance of the organization. To that end, we urge you to join a committee and actively participate in the continued success of the organization.
